" PAINTING JOURNEYS, INTRODUCTION TO DOMINIK'S PAINTING TRAVELS THROUGH MANY REGIONS OF THE WORLD."

"As a matter of course, **Dominik Modlinski** incorporates the journey motif into his work, his creative process and his personal growth experience. His paintings uniquely depict his passion and knowledge of the wilderness as he lives and paints in remote and fragile ecosystems. These paintings are vibrant in their colours, echoing their intended environmental hope for future generations. Dominik's work centers on his passion and commitment to paint and record on location the natural environment of North America. Through his extensive travels,

from Antarctica to the High Arctic, Modlinski witnesses and documents the natural beauty of our landscape, and in the process, is witness to the alarming speed of environmental change. Through his paintings a story is told of a person who lives on the land and is driven by adventure and desire to preserve the environment for future generations." <http://www.paintingjourneys.com/>

3:30 pm Painting exchange

One of the highlights of the AGM is the painting exchange. This year we will once again enjoy this exciting opportunity to enhance our art collections! Attendees who wish to participate, pay a \$25.00 fee. Participants bring to the meeting one small matted, unframed watercolour with a maximum image size of a quarter sheet. The paintings will be on display throughout the meeting.

At the end of the day, a draw will take place. All members who enter are guaranteed to take a painting home.
